

Hi All,

We wanted to touch base to thank you. We have truly been touched this week by a community that is banding together and understanding that everyone is "doing the best they can".

In light of the advice from Prime Minister Scott Morrison on Friday 20th March, we wanted to assure you that we are operating well within the guidelines of allowing 4m² per person. Our movement space (where tuition takes place) is over 550m² which would allow us over 100 people in this area. Even at maximum capacity we only ever have up to 60 participants and staff in this space at any given time.

For those who are continuing to utilise our facility, we are asking for your assistance within the Foyer and waiting areas. For our school aged classes where possible, we encourage you to please drop your children to the door and leave the facility. A staff member will assist them through to their coach and class. This will ensure that we keep the space/people ratio in the Foyer area within the guidelines. For our Preschool aged classes, we will be dispersing people between the Foyer and the sibling area to assist with social distancing measures.

We understand that in these uncertain times, each family is making decisions based on personal circumstances and preferences. Currently we are able to deliver our service under the guidelines of the authorities. We are continuing to run classes to provide a physical outlet for children who, like all of us, are also experiencing heightened anxiety. We know the positive benefits of movement in times of stress, both physically and psychologically.

Monday 23rd March is our next billing date. We will be debiting tuition for the following fortnight for all families still active on our system. We understand that no one is immune to the effects of the current health and economic environment, so if you are not in a position to be billed, please

Address: 1/33 Henry Wilson Drv, Rosebud VIC 3939

Phone: (03) 5999 8200

Email: info@peninsulagymnastics.com.au

Website: www.peninsulagymnastics.com.au

email info@peninsulagymnastics.com.au by 12pm Monday 23rd March to withdraw your enrolment.

Those who continue to be actively enrolled will of course have unlimited make-up tokens created for missed lessons if you'd prefer to stay home during this time. We are working on value adds for later in the year, which will include access to additional classes for make-ups, fun nights and community connection events.

We are planning on contingencies in the event that we have to withstand a closure for a period of time. Our team leaders are busily working on ways that we can stay connected with you all and provide movement activities and ideas for time that we may all need to spend at home.

For anyone experiencing hardship please reach out to the community or use organisations like [Beyond Blue](#) who have compiled excellent resources and information. Use this link from Harvard Health for information on how to [talk to your children](#) about the Novel Coronavirus-19.

We are in this together. Please be kind to each other.

Bec
