

Hi All,

In line with the advice coming out of Premier Daniel Andrews' office this afternoon, we are writing this email to let you know that we will be temporarily closing Peninsula Gymnastics effective immediately (22/03/2020). We are facing unprecedented times, uncertain times and we know that this action can help to #spreadthecurve. We can only hope that these social distancing measures in Australia lesson the impact on the community and we can all get back to our "normal" routines and activities as soon as possible. We will evaluate the situation on a weekly basis and continue to communicate to all of our loyal families.

We are strongly connected to the community and we care about your families. We also feel a huge responsibility to our staff, in providing them security as we navigate this together. This responsibility weighs very heavily at the moment. We send our thoughts and love to all of our community, small business operators and employees who have been affected. Make no mistake, this will have a huge impact on small businesses like ours. We will do everything we can, to maintain the facility and retain our staff, so we can resume activities and the delivering of our contemporary programs to your children and families when the time allows.

So for now, enrolment is paused, we will hold your positions in your classes and payments will cease. As previously communicated we will be amending our make up lesson policy for the period from Friday 13th March onwards and automatically creating a make-up token for anyone that missed their classes through personal choice but had paid for tuition. We will look at innovative ways to allow you to utilise these in the future, like offering classes additional to our timetable to make room to accommodate the volume of make ups, value adds in future scheduled breaks and community engagement activities.

During this time of closure, we would like to remain engaged with our community, families and children. Our full time staff will be creating videos and sharing activities / content that you may enjoy with your children.

At this time of social distancing, it's so important for everyone's well-being that we remain connected. Keep talking to each other, reach out to those you haven't heard from, help others where you can and most importantly be kind.

Address: 1/33 Henry Wilson Drv, Rosebud VIC 3939
